SMATER SUMMER CAMP

Summer is almost here! Our "Smarter Summer Camp" program will offer students entering grades 1-5 a variety of hands-on enrichment activities, lots of physical activity, along with reading and math programming intended to help curb summer learning loss. Our goal is to keep youth learning, reading, and enjoying the outdoors all summer long! We have 8 fun theme weeks planned; Express Yourself, Campers to the Rescue, Game On, Creation Station, Blast From the Past, Hunters & Gatherers, The Game of Life, & Campers vs. Counselors.

In addition, we will be taking weekly field trips to State Parks to enjoy swimming, playgrounds, and new adventures.

The program is currently full, but there is a waiting list that we encourage everyone to join if they are interested in the program.

FAIRMOUNT PRESENTS, "THWACKED"

We are so proud of our three members; Griffin, Annie, and Hailey! These three aspiring actors performed in the show, “Thwacked” at Fairmount School. Griffin played Frogger, Annie played Priscilla, & Hailey played Becka. A few staff members were able to attend the play to show our support and we couldn’t be more proud! Great job to Griffin, Annie, & Hailey!

OUR AMAZING STAFF

Every staff member that has worked at the Club has made an important difference in the lives of our members and families. They help establish our culture of acceptance, inspiration, and hope. The Club is always changing and growing. Here is where readers can see photos of the current Club staff.

PROGRAM HIGHLIGHTS

TEEN BOTTLE DRIVE:
We are doing a bottle & can drive to fund special interests for our Teen Center! You can drop off donations when you pick up your child from the Club or call Hannah Joy at 404-4398 Ext: 35 to coordinate drop off/local pick up of donations! Thank you for supporting us and recycling.

MINI CLUBS:
Healthy Lifestyles and Good Character & Citizenship are two of the Club's priority outcomes which we incorporate in daily activities and lessons. Each Mini Club focuses on having fun and learning something new, but also encourages problem solving, self-expression, creativity, and more...

A big component of healthy living is being outside! We encourage all of our members to spend time outside enjoying the sunshine and fresh air. Here are some photos from the backyard of the Clubhouses.
